## **President's Report**

Due to the recent storm that swept through West Beach, training was cancelled for the Wednesday night for safety reasons. The aftermath of the storm left trees uprooted and fencing damaged some of which has yet to be repaired. Thank you to the members for your understanding.

Our 2009 S.B.E. was held on Sunday 12 July judged by our resident Mr. H.J. Neddermeyer. Congratulations to all place getters. Thank you to the club members who helped with the planning of the event and on the day. Unfortunately, we did have problems with the PA System and we apologize for the inconvenience. I am sure that Jurgen will thoroughly present his summation to the members in due course. Our 2010 S.B.E. will be judged by the current NBC Chairperson, Mrs. Joylene Neddermeyer.

The GSDCA NBC meeting will be held in Adelaide on the weekend of the 25 and 26 July at our club rooms. We look forward to welcoming delegates from the German Shepherd Dog Clubs across Australia and wish all an informative meeting.

Unfortunately, we did experience some postage difficulties with the May/June 2009 edition of the Shepherd News. Apologies to those members who did not receive their copy in the mail. This particular issue will be available as a PDF file on the club's web page. Visit [www.gsdcsa.org.au](http://www.gsdcsa.org.au). For those who wish to have a paper copy these will be available from the club rooms.

Please find detailed in the Shepherd News the results from the National and congratulations to all our exhibitors that did well.

Our puppy listing is running well with plenty of puppy buyers out there so please let the Club know as soon as possible if you have a litter. If you have an expected litter please consider placing an up and coming litter notice on the Club website. The cost of the up and coming litter notice is then deducted from the cost of the litter notification.

Our state breed show was held on the weekend of the 12<sup>th</sup> July and again Jurgen judged to consolidate his vision in terms of his advice and ideas on where we as a state need to be heading with our breeding.

## Secretarial Report JULY 2009

The year is fast drawing to a close and it has been quite busy for all of the committee.

Recently at the Breed Survey there was somewhat of a delay with the start of the survey due to several inconsistencies with the relevant paperwork submitted by the owners.

The survey documentation must be correct at the time of entry; in future entries which are not complete will not be accepted. The entry form must be the current form which is available from the German Shepherd Dog Council website or the club Secretary.

It has been brought to the Club's attention that some owners have allowed their animals to run off lead in the paddock at the rear of the Club and not place them on leads prior to coming through the gate, this has resulted in the animals running loose in and around the horse riding club. This could be very dangerous for both Horse rider and animals, please be responsible owners and have control of your animal at all times.

The Barrett Reserve grounds are being utilised far more extensively on the weekends by other sporting group's in particular young children playing rugby on Sunday mornings, members need to be mindful of the fact that young children do not always look where they are going.

**The speed limit coming into the Club grounds is Five (5) kilometres per hour.**

Congratulations to all members who exhibited and who were successful at the 37<sup>th</sup> National Show and Trial.

Unfortunately Jan Strachan was rushed to hospital twice (2) on the weekend of the National and has spent just over a week in hospital in Brisbane.

The committee would like to wish Mrs Jan Strachan a speedy recovery and welcome her and Lyle home.

The Club grounds suffered some damage during the recent bout of stormy weather. Several trees were uprooted and the Cubby house was demolished when a tree branch collapsed onto it also part of the southern boundary fence was damaged. Every effort has been made to ensure that all the trees are safe, however, members should always be careful when parking under trees.

The Adelaide Royal Show is fast approaching, the German Shepherd Dog is the feature breed for this year's event and the Club will have a display and information booth at the show to advise members of the public the benefits of owning a German Shepherd. Any one interested in helping the Club on the day of the Shepherd judging please contact the Secretary.

Stephen Collins  
Hon. Secretary

Congratulations to all these handlers.

Remember, dog obedience requires a 24/7 commitment.

It is up to you, as handlers, to ensure your dog always knows his place, and that he can trust and respect his handler.

My team of instructors can provide assistance and guidance, but the responsibility to train the dog rests squarely with you, the handler.

Keep your training sessions short (5 minutes daily will be enough generally), and always finish on a high note (i.e. something both the dog and yourself enjoy).

Above all, give him the praise he deserves when he performs the exercise correctly.

Good luck, and good training,

Jeff Hartshorne

Head Instructor
