# President's Report

It is with much sadness that I write this report as I must inform members of the passing of Dean Joy on 30 September.

Dean along with his wife, Yvonne, were long standing and hard working members of our club. On behalf of all Committee and members, I express our sincere condolences to Yvonne and the Joy family.

Dean will surely be missed.

Once again, I remind members to please observe the speed limit when coming into and leaving the club grounds. There are several other sporting concerns that utilise the reserve and part of our driveway.

Also, would all members please pick up after their dogs. It does help to keep the grounds clean.

Finally, our club is putting together a proposal for the Royal Adelaide Show who are featuring the German Shepherd as the feature breed in 2013. More information to follow.

John DeLucia  
President

## **Micro-chipping**

As from the 1<sup>st</sup> of January 2012 all pedigree dogs must be micro chipped before they can be registered with Dogs SA. With this in mind The German Shepherd Dog Club of SA have had six people trained and accredited to be able to microchip German Shepherd Puppies. The cost of micro chipping your litter of puppies is a \$10.00 call out fee and a cost of \$15.00 per puppy for members and a cost of \$30.00 for non club members. The new stud/litter forms have ample room for the stickers with the puppies micro chip number to be placed. With this in mind the ideal age would be five weeks old. You are still able to tattoo your litter as well if you so wish.

Our micro chipping Officers are:

Stephen Collins, Peter Cocks, Robert Evans, Melissa Lloyd, Samantha Johns and Gayle Mercer.

## Trial Manager's Report

Thank you to all those who supported our obedience and agility trials I couldn't have done it without you. Thanks to Jeff and Darren for helping and rallying the troops to put up rings, bring out equipment and steward. My offsider Donna for all of your assistance and support and being there to do whatever was needed. The committee for pitching in whenever I asked including stewarding, catalogues, trophies, writing out pass cards, etc.

Thanks to Gillian Smith, who is not a member of our club, but was our Dogs SA rep and helped me to learn about the rules for trialling and helped at every event with stewarding.

This year we held 4 obedience trials including 2 at our champ show in June and the prestigious Balmead, unfortunately we did not have a team to represent our club again this year. Please see our presidents report about some changes to the Balmead for 2012.

We also held 2 double agility trials and an ET. All of our events were well entered, many thanks to all those who entered.

There are loads of people whose names I don't know who made it possible for the club to run great trials so to you I wish to say thank you.

Heidi De Luca

We are rapidly approaching the end of this training year, and the last training session for Obedience will be on Wednesday 30<sup>th</sup> November (Saturday 3<sup>rd</sup> of December is the Club's presentation night, and all are encouraged to come along and enjoy the fun).
